

Presenters for Ernst and Young

Pria Narinesingh BSc Accounting, FCCA

Partner – Assurance & Advisory Business Services

Pria has an in-depth understanding of the issues facing companies in the Financial Services industry having spent much of her 12 years with Ernst & Young serving regional, publicly listed and highly complex clients in this sector. Since 1997, Pria has been instrumental in the production of the annual Insurance Industry Review produced jointly by the Association of Trinidad and Tobago Insurance Companies (ATTIC) and Ernst & Young. She was recently appointed as a Member of the Professional Advisory Committee established by the Central Bank of Trinidad and Tobago, providing a forum for communication among stakeholders in the Financial Services industry.

Arnold Niranjan, BSc., MA, MBA, CISA

Partner, Business Risk Services

Arnold is the leader of Ernst & Young Caribbean's Business Risk Services. He holds a Bachelor of Science degree in Computer Information Science, a Master of Arts in Computer Resources Management, and a Masters in Business Administration. He is also a Certified Information Systems Auditor (CISA). He has direct experience in utilising the concepts of process value analysis in several projects in conducting corporate strategic planning, operations audit engagements and information systems strategic planning.
